### NOTE:

Please notify Declan Gane of any good media contacts that you may have so that they can be added to the EIA's circulation list. **They will not be published here without your consent.**

Finally we ask that you contact business and marketing journalists (not your vertical industry press) directly, please do copy Declan and Tom in any content submission; EIA is always extremely interested in all member and industry news, which will greatly assist us to promote live event marketing to our external audiences!
